73/7 2021	<p><b>Chairman's Welcome:</b> The Chairman reported that he and the Locum Clerk had attended the Area Network meeting and found it to be interesting. Negotiations were ongoing with Cornwall Council for devolution of Trebarwith Strand Public Toilets. It was noted that the Locum Clerk and Cllr. Lyle had met with 'HiTec Washrooms' to resolve the ongoing problems with the entry system. It was hoped this would soon be resolved.</p>	
74/7 2021	<p><b>Public Participation:</b> Two members of the public put the case most eloquently against support of planning application PA21/04709. The next speaker appealed to Council to object in the strongest terms to the proposed erection of a 5G mono pole in Treknow, which they felt would at least be unsightly in such a small, rural hamlet, and possibly positively dangerous to those living under this structure were it to be given planning permission.</p> <p>A request was received that the noticeboard at Trethevy be reinstated.</p>	
75/7 2021	<p><b>Cornwall Councillor's Report:</b> Cllr. Fairman reported that there was to be a meeting with CC Highways Dept. on 22<sup>nd</sup> July to discuss the parking at Trethevy, and hopefully, resolve the problems for the future. It was also suggested that the cut through from the B3263 to the B3314, known locally as 'Cock Crowing', should be made one way only - with no entry off the B3263 as the turning onto the B3314 was on a dangerous blind bend. A bad accident had been reported only a week earlier.</p>
